Llwybr Beicio Mynydd Yr Afon Mountain Bike Trail

Mae'r llwybr coedwig hwn yn mynd trwy rai o ardaloedd mwyaf goneddus afon Mawddach, gan gynnwys rhaedrau byrlymus ar afon Gain a Mawddach.

Yn addas i'r teulu cyfan, llwybr cymharol isel ar ffyrdd coedwig yw hwn yn bennaf ond mae yna drac garw ar ffordd breifat. Mae ambell ran eithaf serth ar i fyny, a ffordd goedwig serth ar i lawr. Rhowch gynnig ar daith sain o faes parcio Tyddyn Gwladys. Lawrlwythwch ffeiliau MP3 cyn cychwyn, a gwrandewch ar hanes y gwaith powdwr du a'r mwynlawdd aur.

This forest road trail takes in some of the most picturesque parts of the river Mawddach including the beautiful waterfalls on the river Gain and Mawddach.

One for all the family to enjoy. It's a relatively low level route on forest roads but does include a rougher section of private track. There are a couple of short steepish climbs and a steep forest road descent. Why not try the audio trail from Tyddyn Gwladys Car Park. Just download the MP3 files before setting out and hear the story of the Gunpowder works and the Goldmine.
